Pet of the Quarter!

Hello Friends, please meet Woodbridge's beloved Pet of the Quarter.

HI, MY NAME IS PUDDY.

I'm a Maine Coon, and I'm 5 years old. I spend hours sitting at the window watching all the pets walking by. My favorites are the squirrels and birds. I can jump 4 feet high when I'm playing with my feather toy! I love eating canned food and enjoy sitting on laps.

Recipe OF THE Month

PIZZA KNOTS

INGREDIENTS:

- 2 tbsp. melted butter
- 1/4 c. extra-virgin olive oil
- 2 cloves garlic, minced
- 2 tbsp. chopped parsley
- 1/2 c. finely grated Parmesan
- 1 can refrigerated biscuit dough
- 2/3 c. shredded mozzarella
- 1/2 c. mini pepperoni
- Marinara, warmed (for serving)

DIRECTIONS:

1. Preheat oven to 400° and grease a 10" skillet with cooking spray or olive oil.
2. Whisk together butter, olive oil, garlic, parsley, and Parmesan.
3. Cut each biscuit in half and shape each half into a thin rectangle. Brush each piece with butter mixture, then sprinkle lightly with mozzarella and pepperoni. Roll and pinch the dough together to seal, then tie the dough into knots.
4. Place stuffed knots in the skillet. Brush remaining butter mixture onto dough and sprinkle with more mozzarella and pepperoni.
5. Bake until the cheese is melted and the biscuits are cooked through, 18 to 20 minutes. Serve warm with marinara.

CHURRO ALMONDS

INGREDIENTS:

- 2 c. almonds
- 1/2 c. sugar
- 1/2 c. brown sugar
- 1 tbsp. cinnamon
- pinch of salt
- 1/3 c. water

VALENTINE'S GIFTS FOR PETS

Create an adorable pet jar for treats because Valentine's day is not just for people, pets can enjoy this day as well.

MATERIALS:

- A copy of the free printable cat and dog parts on www.redtedart.com/free-prints
 - Glass jar
 - Anything to add colour
 - Scissors and a glue stick
1. Colour in the animal parts using your favourite materials (or whatever you have handy). For our jars I used a Sharpie, coloured pencils and watercolours like the ones kids use at school.
 2. Cut out your attractively coloured animal eyes, ears, tail and paws with the animal-Valentine's message.
 3. Add glue to the back of your cut-outs and paste them on the glass jar. I used a regular school-type glue stick, but any type of glue will do.
- If you want to skip this step, print the animal parts using a sheet of adhesive paper (instant stickers!).

Now fill your jars with tasty doggy or kitty treats, and you are done. Happy Valentine's Day and Happy Pets Day!! Enjoy!
