REMINDERS

- Lately there has been vehicles towed from the property due to parking in a fire lane, handicap, another residents stall, or a spot that states "No Parking". Even though this is an apartment complex you still have to obey all Traffic Regulations. All residents are notified of this when you move in and it is also in the Rules and Regulations that you signed upon move-in.
- Our Poo Prints Program is up and running. By now all dogs on this property should have had the DNA testing done. If you have not you need to come into the office with your dog to get the DNA test done. To avoid any fines please make sure you pick up after your dog bags are provided throughout the property.
- It is getting that time of year when you are cleaning your patio areas. Please make sure you bag all yard debris before you put it in the dumpsters. Do not just rake out your debris to the outside planter beds and expect the landscaper to clean it up. It is your responsibility to clean up your own patios. For all the residents with pets be sure to pick up after your pet on a daily basis to keep the odor down. Clean and deodorize your patio and yards at least once a week.

Pet of the Quarter!

Hello Friends, please meet Woodbridge's beloved pet of the quarter.

HI, MY NAME IS PUDDY.

I'm a Maine Coon, and I'm 5 years old. I spend hours sitting at the window watching all the pets walking by. My favorites are the squirrels and birds. I can jump 4 feet high when I'm playing with my feather toy! I love eating canned food and enjoy sitting on laps.

Recipe OF THE Month

SLOW-COOKER MEATBALLS

INGREDIENTS:

- 1/2 c. panko bread crumbs
- 2 oz. Parmesan cheese
- c. chopped fresh flat-leaf parsley leaves
- c. milk
- 1 large egg
- 7 clove garlic
- 2 lb. 85-percent lean ground beef
- 1/2 lb. Italian sausage
- canola oil
- 1 medium sweet onion
- 2 tbsp. olive oil
- 2 tsp. Italian seasoning
- 1/4 tsp. red pepper flakes
- 1 can crushed tomatoes
- 1 can diced tomatoes
- 1 can tomato sauce
- 2 tsp. sugar
- 1 small bunch fresh basil

DIRECTIONS:

1. Preheat oven to 425 degrees F. Combine panko, Parmesan, parsley, milk, egg, and 3 garlic cloves in a bowl; let stand 10 minutes. Add beef and sausage; gently combine using your hands. Shape into 36 (1- to 1 1/2-inch) balls. Line a rimmed baking sheet with foil and lightly grease with canola oil. Place meatballs on baking sheet and bake until browned, 15 minutes. Drain well.
2. Combine onion, olive oil, Italian seasoning, red pepper, and remaining 4 garlic cloves in a microwave-safe bowl. Microwave, stirring once, until onion is tender, 3 to 4 minutes. Combine onion mixture, crushed tomatoes, diced tomatoes, tomato sauce, and sugar in the bowl of a 6-quart slow cooker. Gently stir meatballs into sauce. Cover and cook on low, until the flavors are combined, 8 to 9 hours. Stir in basil.

Great food and great drinks make this a great location to stop and watch a game, or three.

Valentine's Candy Guessing Game Winner

Congratulations to unit 270 for guessing the amount of kisses in the jar. There were 272 kisses in the jar and their guess was 270. It was very interesting to see everyone's method of guessing how many candies were in the jar.

Tips for Guessing how many are in the jar?

1. Estimate jar capacity.
2. Determine whether the candies are spheres.
3. Find the volume of one candy.
4. Determine percentage of volume used.
5. Figure it out.
6. For spherical candies, divide your estimate for the size of one candy into 64 percent of the volume of the jar. For oblate spheroid candies, divide the average size of one candy into 66.5 percent of the volume. You've got the answer; now amaze your friends with your guess!

GAME OF SHENANIGANS

MATERIALS:

- Print leprechaun face template at cdn.mollymoo.ie/uploads/2013/02/Leprechaun-game-printable.pdf
- Crayons
- Glue
- Cardboard
- String

Coloring Option

- have your little(s) color in the head
- cut it out and glue onto some cardboard
- cut the cardboard around the outer shape and cut out the face area and extend the cardboard down from the centre of the beard to create the handle.

Attaching the Gold Coin

I have included the coin on the downloadable template but you can just as easy use any small circular container or bottle top to cut the coin out of cardboard, paint gold, and when dry punch a hole through the coin and another hole through the top of the hat and link with a short length of thread.

Rules of the Game: there are no rules :)
