We love our pets!

We are proud to be a pet friendly community.

KEEP OUR COMMUNITY CLEAN.

Don't forget to keep our community clean by picking up after your pets. We all love animals, but we need to make sure the common spaces in our community are clean for everyone. Don't forget we have doggie stations located by the pool area & on Lind Ave.

Recipe OF THE Month

EGGS BENEDICT

Don't have Mother's day breakfast figured out? Try this easy recipe from Delish.

INGREDIENTS:

- 2 tbsp. white vinegar
- 1 egg + 3 egg yolks
- 1 tbsp. lemon juice
- 1/2 c. (1 stick) butter plus 1 tbsp. butter, melted
- Pinch of cayenne
- kosher salt
- Black pepper
- 2 slices back bacon
- 1 English muffin
- Chives, chopped for garnish

DIRECTIONS:

1. Bring large pot of water to boil and add in vinegar. Reduce heat so water is at gentle simmer. Crack egg into small bowl and carefully pour it into simmering water. Poach egg for 3 minutes and remove with slotted spoon.
2. To make hollandaise, add 3 egg yolks and lemon juice to blender. Pulse to combine. Set blender to low and slowly add all melted butter while it is running*. Continue to blend until sauce is thick and frothy. Add pinch of cayenne and season with salt and pepper. If sauce is too thick, add warm water 1 tsp. at a time to loosen it.
3. Fry back bacon on medium high heat for 2 to 3 minutes per side until beginning to brown.
4. To build sandwich, toast and butter English muffin. Place back bacon on bottom half then top with poached egg and drizzle with hollandaise. Garnish with chopped chives and top with other half of the English muffin.

HAVE FUN!

Kids Corner

CRAFT STICK BRACELETS

A great activity for kids and a great gift for Mother's day. Please visit Molly Moo Crafts for more designs.

MATERIALS:

- a handful of craft sticks, hot water and a glass.
- string
- paint
- beads

DIRECTIONS

1. First boil the kettle and soak the craft sticks in the hot water for 30mins or so. Pick out one and try bending gently to see if it's pliable enough. If not leave them soak for a bit longer, emptying out the water and replacing with freshly boiled water.
2. When soft enough it's time to very gently mold the stick between your fingers into a curve, continue manipulating to expand the curve.
3. A very pretty option is to wrap with contrasting embroidery thread. Punch holes on both ends of the craft stick with a thumbtack (go gently so the stick doesn't split) and thread through with embroidery thread, finished with beads, as a way of securing around the wrist.
4. And my favorite option.... cut narrow strips of masking tape and use to create patterns on the bracelet, then paint between the tape, let dry and peel off the tape to reveal your lovely pattern.
